**Simply Acrylic are a perfect starting point for artists looking to experiment with acrylics.**

These soft-body water-based colours can be used straight from the tube, wet easily onto the surface, and can be thinned with water. Available in a wide variety of colours, Simply acrylics offer great value for money and together with other products from the Simply Acrylic range, an easy entry point for artists to begin working with acrylics.

Discover the complete Simply acrylic suite of perfectly compatible products.

§ For technical reasons the printed colours do not match 100% the painted colours, but deliver the best possible reference point.
