AVAILABILITY

Artists' Oil offers professional artists superb colour brilliance and permanence.

Artists' Oil colours are characterised by their thick buttery consistency and their uniform gloss-finish across all colours of the range. This makes them ideal for high textured impasto techniques with visible brush strokes and knife marks as well as complex layering techniques.

Purest pigments triple milled with ultra-fine grind and the high pigment load per colour guarantee optimal light fastness and permanence along with a clear and rich colour across all 82 colours.

The Artist Oil range and colours are designed to surpass the highest standards of professional artists with its excellent colour brilliance and covering power.

Discover the complete Watercolour suite of perfectly compatible products.

§ For technical reasons the printed colours do not match 100% the painted colours, but deliver the best possible reference point.
