Artists' Watercolour offers professional artist superb rich and free-flowing colours, based on the suspension of the very finest quality pigments in an aqueous solution of gum Arabic in 80 colours.

Artists' Watercolours are characterised by varying tint strengths of different pigments. This makes them ideal for delicate washes, complex layering techniques and multi-colour shadings. Purest pigments triple milled with ultra-fine grind and the high pigment load per colour guarantee optimal light fastness and permanence along with a clear and rich colour across all 80 colours.

The Artist Watercolour range and colours are designed to surpass the highest standards of professional artists with its excellent colour brilliance and covering power.

Discover the complete Watercolour suite of perfectly compatible products.

§ For technical reasons the printed colours do not match 100% the painted colours, but deliver the best possible reference point.
