AVAILABILITY

38ml 200ml

Discover the variety of perfectly compatible Daler-Rowney products.

Graduate Oil is an affordable range of oil colours ideal for students and amateurs looking for reliability and performance.

Graduate Oil colours are smooth, easy to use, and mix well together, drying to a low gloss satin sheen within 5 days.

The colours in the Graduate Oil range offer an impressive pigment loading compared to their rivals in the same category.

§ For technical reasons the printed colours do not match 100% the painted colours, but deliver the best possible reference point.
