AVAILABILITY

System3 Fluid Acrylic, is a high flow formula which consists of lightfast pigments, ensuring excellent colour permanence, richness and intensity.

This fluid acrylic is ideal for pouring, dripping and all liquid art techniques. The colours within the System3 fluid range are compatible with the colours within System3 Acrylic, System3 Heavy Body and System3 Inks offering a full suite of viscosities to cover all acrylic techniques.

The range offers great coverage making it perfect for murals and other large surface area applications. All System3 Fluid colours are intermixable and once dry the colours are permanent and water resistant.

Discover the complete System3 Acrylic suite of perfectly compatible products.

§ For technical reasons the printed colours do not match 100% the painted colours, but deliver the best possible reference point.
